

Tri-Optics™ Vanity Oval Mirror

Model No.: OVL37/OVL57

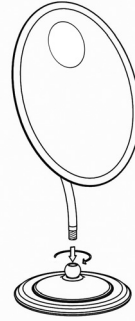

Assembly Instructions:

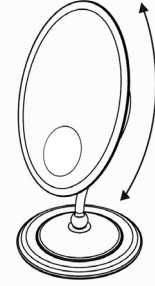

1. Remove product from box and fold neck away from mirror head.

2. Rotate neck downward so it is parallel with mirror.

3. Screw bottom of neck clockwise into base.

4. Rotate mirror to desired position for preferred viewing style.

You now own a top-quality product that should provide you with years of satisfaction and service. To ensure that this product functions as it is designed to, please read the following important information.

Functional Features

Swivel inset mirrors, optical quality mirror, flexible rotating wall-mounted design

Tri-Optics Magnification

A better, more powerful full range magnification mirror with high power, close-up and full image settings with 3x, 8x, and 1x

Adjustable Position Control

The dual mirror can be rotated to adjust to your eye level while standing in front of the mirror. In addition, this unique wall mounted design allows you to rotate and adjust the 1x oval mirror to your eye level and desired viewing angle.

Care

To retain the brilliance and elegance of metal, we recommend a non-abrasive metal cleaner and polish. Never use ammonia, alcohol or other harsh chemicals. Caution: sunlight reflected in mirror can cause fire.

Warranty

90 day limited warranty from date of purchase against defects in materials and workmanship. This warranty does not include damage to the product as a result of misuse or accident.
