The ZADRO® Lexington Wall Mount Mirror is designed for maximum illumination and performance. This mirror combines high magnification with state-of-the-art technology. The bright LED lighting results in glare and shadow-free illumination that surrounds the entire face.

- Optical Quality Glass Provides a 10X Magnifying Mirror and 1X True View Mirror
- Ultra Bright LED Lighting
- 360° Endless Mirror Head Rotation
- Three Adaptive LED Light Color Settings with Smart Dimmer™ Pad
- AC Adapter Included with Model # SLWRLT410

MOUNTING INSTRUCTIONS

Please Contact an Electrician for SLWRLT410H Hardwiring Setup.

1. Determine the position where you would like to place the wall mounted mirror (for best results, locate a stud).
2. Unscrew mounting plate from the mirror base to locate mounting holes and mark hole locations on the wall.
3. Use a 1/8" drill to make a 1" deep hole at the marks.
4. Secure mounting bracket to the wall.
5. Install the mirror plate over the mounting bracket and secure with two nuts.
6. Be sure the mirror is attached securely before using.

OPERATING INSTRUCTIONS

Your Lexington Wall Mount mirror will swivel so that you can use either the normal 1X mirror or the 10X magnifying mirror located on the opposite side.

Mirror Light Control:

1. Tap the Smart Dimmer™ Pad located on the base of the mirror to turn the light on.
2. Tap the Smart Dimmer™ Pad to cycle through the adaptive light color settings (Office, Daylight, Evening).
3. To dim/brighten the light, touch and hold the control pad button until the desired brightness is achieved. The mirror will remember the last brightness setting used.
4. After use, always turn off the light by tapping the Smart Dimmer™ Pad again.

DANGER/WARNING

To reduce the risk of burns, fire, electric shock, or injury to persons:

- Always unplug the SLWRLT410 from the electrical supply outlet when not in use.
- Be sure the mirror is not in a position where it can reflect sunlight. Reflected light can cause a fire.
- Close supervision is necessary when this appliance is used by, or near children, or disabled persons.
- Use this mirror only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
- Never operate this mirror if it has a damaged cord or plug if it is not working properly, if it has been dropped or damaged, or dropped into water. Return unit to the manufacturer for examination and repair. Never drop or insert any object into any opening.
- Do not use the outdoors.
- Keep the cord away from heated surfaces.

CARE AND MAINTENANCE

1. Always unplug the SLWRLT410 before cleaning.
2. Always turn off the SLWRLT410H before cleaning.
3. For the unit, use a damp cloth. For the mirror surface, use a damp cloth or glass cleaner.

AC ADAPTER

Use only an AC power adapter approved by Zadro Products for use with the SLWRLT410. The use of any other adapter will void the warranty and can damage the mirror.
