### Get the closest, smoothest shave in the shower!

Shaving in the shower allows for a closer, cleaner shave. Dermatologists recommend shaving, cleansing, and exfoliating your skin in the shower to achieve the best results.

The heat and humidity from a hot shower opens your pores and soothes your skin, promoting healthier, less irritated skin.

The dual accessory holder provides quick and easy storage for up to two (2) razors or accessories.

The included storage squeegee is perfect for wiping shower overspray off the mirror surface.

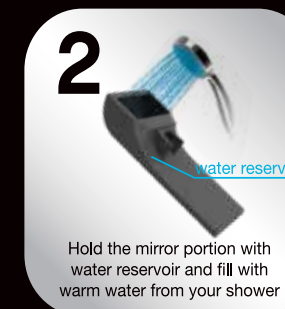

The drain hole allows water to run out the bottom of the unit in order to keep warmer water next to the mirror, help prevent mildew, and allow the unit to empty so it is ready for future use.

### 3 easy steps

Your Z'Fogless Mirror is ready for use!

### 2 Mounting Options

Select a mounting area in your shower free of overspray & at eye level. Clean any surface before mounting by rinsing & letting dry, then wiping with rubbing alcohol.

**Suction Cups:** Insert 3 suction cups into the keyholes on the base. Only install on smooth surfaces such as glass or smooth tile. Moistening the inside of the cups will improve adhesion.

**Tape:** Ensure the surface is cleaned with alcohol and allowed to air dry. Press the tape firmly to the mirror base and then to the wall.

After the mirror base is firmly attached, slide the mirror reservoir onto the base. Regularly check to ensure the mirror is firmly secured.
