## Quilt Top Assembly

- Referring to **Fig. 7** (page 5) and the **Quilt Layout** diagram (page 6), arrange blocks, **Fabric E** sashing strips and remaining **Fabric D** squares as shown. Sew into rows, pressing seams toward **Fabric E**. Sew rows together, nesting seams, to complete the quilt center.
- Sew 2½" (6.35cm) x WOF **Fabric A** strips together end-to-end in pairs to make (4) border strips.
- Measure your quilt top through the center from top to bottom. The height is 72½" (1.84m); if your measurement is different, make a note of your dimensions.
- Cut (2) side borders according to your measurements and sew to the left and right sides of the quilt center.
- Measure your quilt top through the center from side to side. The width is 66½" (1.69m); if your measurement is different, make a note of your dimensions.
- Cut (2) top/bottom borders according to your measurements. Sew top and bottom borders to the quilt to complete the 66½" x 80½" (1.69m x 2.04m) quilt top.

## Finishing

- Sew together the (8) **Fabric E** binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half wrong sides together.
- Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.
- Leaving an 8" (20.32cm) tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ¼" (.64cm) and press open. Finish sewing binding to quilt.
- Turn the binding to the back of the quilt and hand or machine stitch in place.
