Riley Blake
DESIGNS

mulberry lane
by Dodi Lee Poulsen  two sisters at squirrel hollow

Love At Home

FINISHED QUILT SIZE 51" × 66¾"

Measurements include ¼" seam allowance.

Sew with right sides together unless otherwise stated.

Please check our website www.rileyblakedesigns.com for any revisions before starting this project. This pattern requires a basic knowledge of quilting techniques and terminology. The quilt and block diagrams portrayed are virtual images. The layout and look of your project may differ when using actual fabric.

FABRIC REQUIREMENTS

2 Mulberry Lane 5" Stackers (5-11560-42)

plus 1 fat eighth of a Mulberry Lane print of your choice

1 Yard Flamingo Texture (C610) includes binding

1½ Yards Riley White (C120)

CUTTING REQUIREMENTS

Please read instructions before cutting fabrics. Refer to the quilt photo for the placement of each of the fabrics.

INSTRUCTIONS

Many of the designs are directional. If you want designs always facing upright, lay out your blocks first and then sew mindfully.

Mulberry Lane 5" Stackers (ML)

From 8 assorted squares, cut:

6 squares 2¾" × 2¾"

(2 of the same print for heart's bottom point if desired)

2 rectangles 5" × 2¾"

From fat eighth, cut:

3 squares 5" × 5" to add to stackers selection

Flamingo Texture (FL)

Cut 2 strips 5" × WOF

Subcut: 1 strip 23" × 5"

1 strip 14 × 5"

9 squares 5" × 5"

Cut 1 strip 2¾" × WOF:

Subcut: 3 rectangles 5" × 2¾"

6 squares 2¾" × 2¾"

Cut 6 strips 2½" × WOF for binding.

Riley White (BK)

Cut 3 strips 5" × WOF

Subcut: 2 strips 14" × 5"

2 rectangles 9½" × 5"

10 squares 5" × 5"

Cut 1 strip 2¾" × WOF

Subcut: 2 strips 18½" × 2¾"

2 squares 2¾" × 2¾"

Cut 6 strips 5½" × WOF for borders.

QUILT ASSEMBLY

Refer to the cutting requirements list, quilt photo and layout diagram for the placement of prints. Press seam allowances following the arrows in the quilt diagram.

Construction Overview

The house and heart at the center of this quilt are constructed with 5" squares, Flying Geese blocks (FG), half-square triangles (HST), blocks with Stitch-and-Flip corners (SNF), and various size rectangles. All the various blocks are sewn first, then the house, heart and roof are assembled row by row. Even rows are pressed in the same direction; odd rows in the opposite direction. (See pressing arrows.)

Quilt Blocks

Block construction is described first, followed by the fabric combinations required to make specific blocks.

Flying Geese Instructions (FG)

1. You will need:

1 rectangle 5" × 2¾"

2 squares 2¾" × 2¾"

2. Draw a diagonal pencil line corner to corner on the back of each square. Position a square at one end of the rectangle and stitch on the pencil line.

Love At Home

- Trim $\frac{1}{4}$ " away from the stitching, flip the triangle open and press.

- Repeat Steps 2 & 3 with the second square on the opposite end of the rectangle. You will end up with a Flying

Geese G block the same size as the original rectangle.

- Make 3 Flying Geese blocks using the following fabric combinations:

Heart Bottom Point

- 2 ML squares $2\frac{3}{4}$ " \times $2\frac{3}{4}$ " (same print if desired)
- 2 FL rectangles 5 " \times $2\frac{3}{4}$ "
- Add 2nd FL rectangle to FG to make a 5 " \times 5 " block.

Heart Top Center

- 2 FL squares $2\frac{3}{4}$ " \times $2\frac{3}{4}$ "
- 1 ML rectangle 5 " \times $2\frac{3}{4}$ "
- 1 FL rectangle 5 " \times $2\frac{3}{4}$ "
- Add FL rectangle to FG to make a 5 " \times 5 " block.

Roof Top

- 2 BK squares $2\frac{3}{4}$ " \times $2\frac{3}{4}$ "
- 1 ML rectangle 5 " \times $2\frac{3}{4}$ "

Half-Square Triangle Instructions (HST)

- You will need:
 - 2 squares 5 " \times 5 "
- Draw a diagonal pencil line corner to corner on the back of 1 square. Layer the squares and stitch on the pencil line.

- Trim away one side $\frac{1}{4}$ " from the stitching. Flip open and press seam allowances to the darker side. \4. Make 10

HSTs using the following fabric combinations:

Heart

- 1 ML square 5 " \times 5 "
- 1 FL square 5 " \times 5 "
- Make 2.

Roof

- 1 ML square 5 " \times 5 "
- 1 BK square 5 " \times 5 "
- Make 8.

Stitch-and-Flip Corner Block Instructions (SNF)

- You will need:
 - 1 square 5 " \times 5 "
 - 1 square $2\frac{3}{4}$ " \times $2\frac{3}{4}$ "
- Draw a diagonal pencil line corner to corner on the back of the $2\frac{3}{4}$ " square. Position the smaller square RST on one corner of the 5 " square. Notice the line connects 2 adjacent sides of the larger square. Stitch on the pencil line.

- Trim $\frac{1}{4}$ " away from the stitching, flip the corner open and press. You will be able to rotate the block to orient the corner triangle where you need it. If you use a directional print and want the design right side up, be mindful of the

block's position in the quilt.

- Make 8 SNFs using the following fabric combinations:

Heart

- 1 FL square 5 " \times 5 "
- 1 ML square $2\frac{3}{4}$ " \times $2\frac{3}{4}$ "
- Make 4.

Love At Home

- 1 ML square 5" x 5"
- 1 FL square 2¾" x 2¾"
- Make 4.

PUTTING IT ALL TOGETHER

1. Layout the pieces and blocks as shown in the Quilt Layout Diagram below. The sizes shown are cut sizes. Assemble Rows first. Sew the rows together to complete the quilt center. Quilt Center size: 41" x 56¾"

2. Sew border strips together end to end in one long strip.
3. The border measurements shown are suggested sizes. Measure your quilt vertically through the middle and cut 2 side borders to that measurement. Sew one to each side.
4. Repeat Step 3 for the top and bottom borders, this time measuring horizontally through the middle.
5. Finish quilt by layering the quilt top, batting, and back. Bind with 2½" FL strips.
