

# SHD-1408FPW

In-ceiling Housing

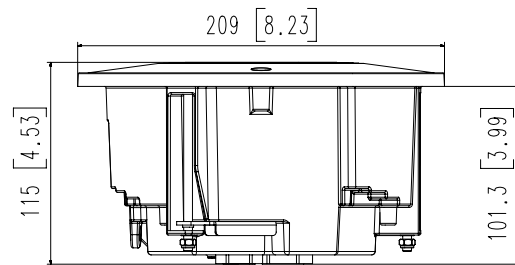

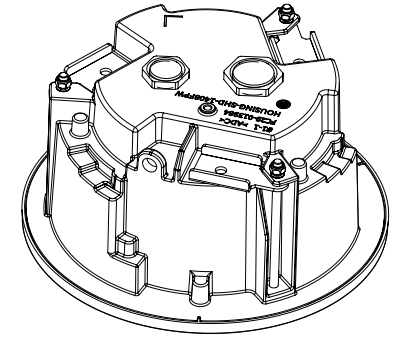

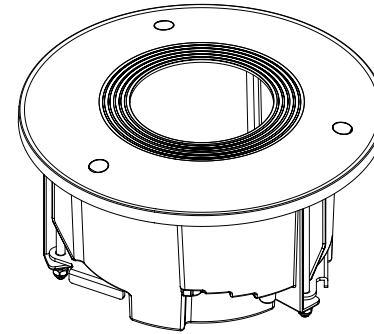

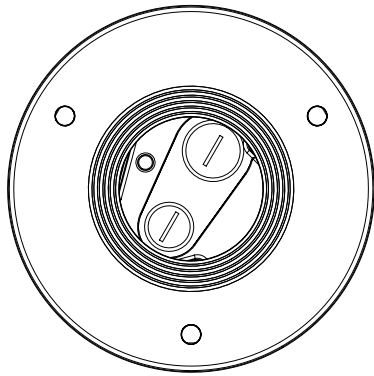

FC | UL LISTED | CE | ENEC

## Key Features

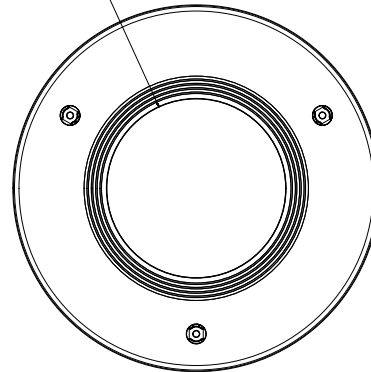

- Enclosure: Plemun Rated Aluminum / Top cover : Polycarbonate (PC)
- Dimensions : Ø209mm x H115mm (8.23" x 4.53")
- Weight : 1,020g (2.25 lb)
- Color : White
- Universal Housing (Supports many camera models with one housing)
- QR installation guide support

Mechanical																																																																																																																	
Color	White																																																																																																																
Material	Enclosure : Plenum Rated Aluminum Top cover : Polycarbonate(PC)																																																																																																																
RAL code	RAL9003																																																																																																																
Product dimensions / weight	Ø209 x 115mm (Ø8.23x4.53") / 1020g (2.25lb)																																																																																																																
Tile thickness	5~70mm																																																																																																																
Conduit hole	19.1mm(3/4") (M25) 12.7mm(1/2") (M20)
