

MANTU

The adjustable light hood

O Manto que regula a luz

This table cork lamp helps you control the amount of light in any room.

Do you prefer a more directional light or do you want it more diffuse?

Mantu allows you to change the intensity according to your needs without the hustle of having two different lamps.

Just adapt the hood and use it the way it suits you best.

Este candeeiro de mesa em cortiça ajuda a regular a intensidade de luz em qualquer espaço.

Preferes uma luz mais direccional ou pretendes uma mais difusa?

Com o Mantu podes alterar a intensidade de acordo com as tuas necessidades sem precisares de dois candeeiros diferentes.

Adapta o capuz e usa-o da forma que melhor se adaptar a ti!

Assembling Guide | Guia de Montagem

dedal

INSIDE THIS PACKAGE / dentro desta caixa

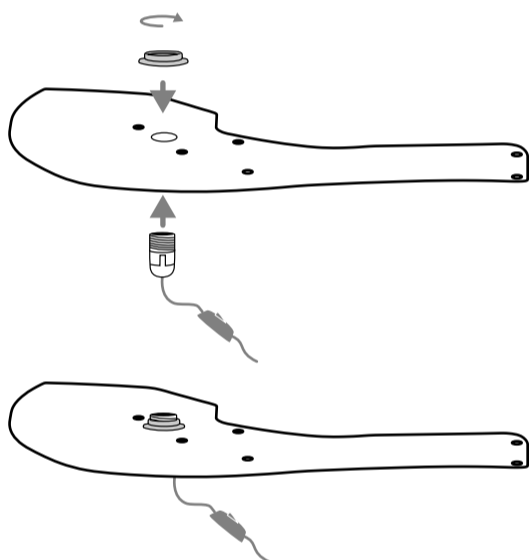

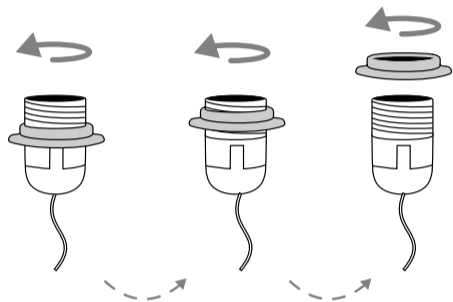

NOT INCLUDED / não incluído

1 | Assembling electrical parts Montagem parte eléctrica

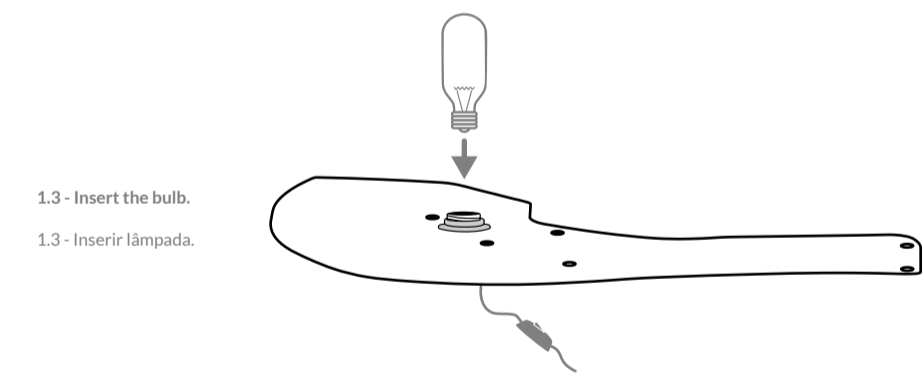

1.1 - Remove the ring from the light socket by unscrewing it.

1.1- Desenroscar o anel do casquilho.

1.2 - Pass the light socket and the cord through the hole. Then, screw the ring back so that the cork is in between the bulb and the ring.

1.2 - Passar o casquilho e o fio pela furação. Depois, enroscar o anel para que a cortiça fique presa ao casquilho.

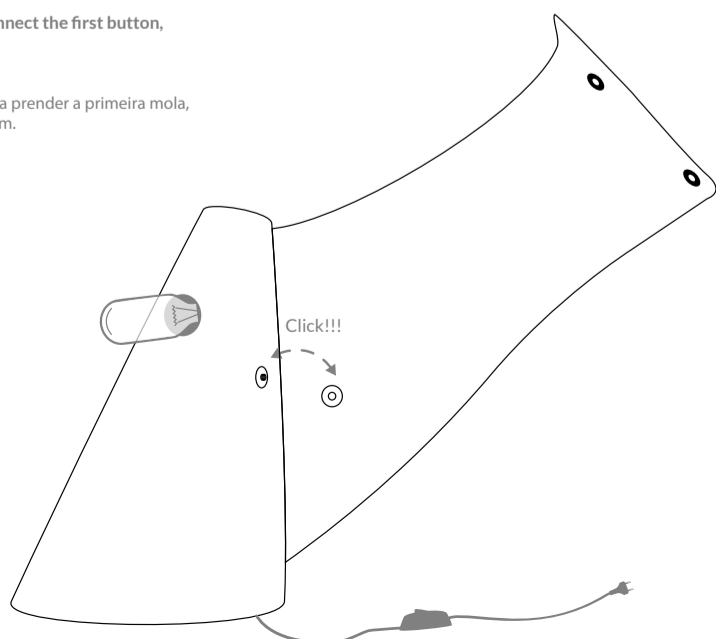

1.3 - Insert the bulb.

1.3 - Inserir lâmpada.

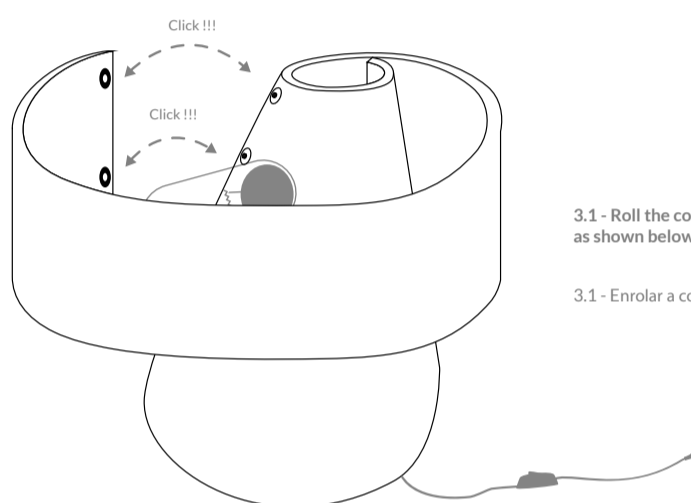

2 | Curl the cork and connect first button Enrolar a cortiça e ligar o primeiro botão

2.1 - Roll the cork to connect the first button, as shown below.

2.1 - Enrolar a cortiça para prender a primeira mola, como ilustrado na imagem.

3 | Curl the cork and connect second button Enrolar a cortiça e ligar o segundo botão

3.1 - Roll the cork to connect the second button as shown below.

3.1 - Enrolar a cortiça e fixar as restantes molas.

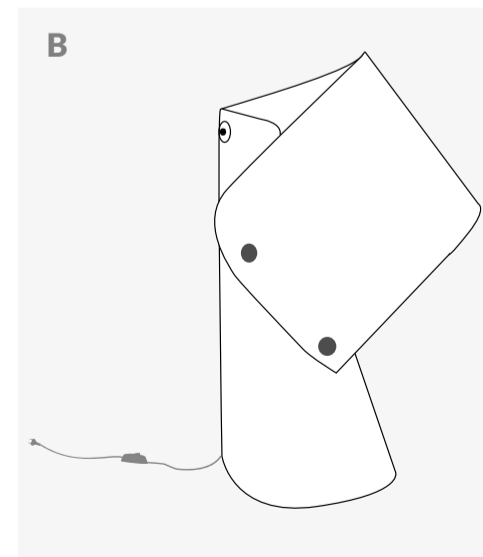

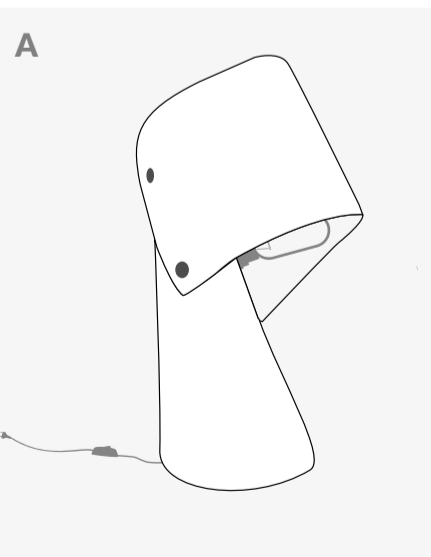

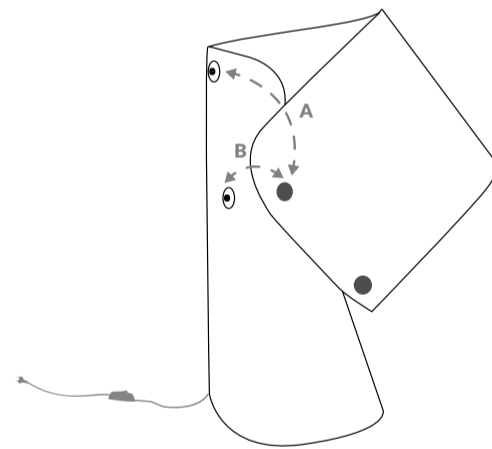

4 | Adjusting the light Ajustar a luz

4.1 - Connect option A or B to change light's intensity. Choose the option that suits you best.

Please disconnect the buttons gently!

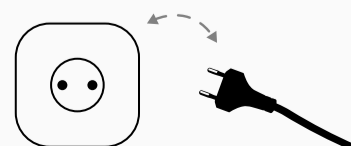

4.1 - Para alterar a intensidade da luz, prenda as molas de acordo com os desenhos A ou B. Escolher a opção que melhor se adapta à luz pretendida.

Atenção: retirar as molas com cuidado!

4.2 - Connect to the power socket (beware 220-240, 50 Hz).

4.2 - Ligar à corrente eléctrica (220-240, 50Hz).

4.3 - Switch the light on.

4.3 - Ligue a luz.
