TPS
NUTRIENTS

COMPLETE
GROW CYCLE
ONE PART

Ultra Grow is a complete one-part vegetative fertilizer for strong and healthy plants. Our specially designed formula includes all major macronutrients, cal-mag, and micronutrients which work together to ensure your garden thrives. Ultra grow is incredibly easy to use - simply follow the feed chart below or download one of the TPS advanced feed charts by scanning the QR code below.

Shake well before using.

USAGE INSTRUCTIONS

Use from seedling/clone through veg.

VEGETATIVE FLOWERING

BASIC

Add 25 mL (5 tsp) per gallon of feedwater, once a week.

ADVANCED

With every watering, add 5-25 mL (1-5 tsp) per gallon to feedwater. Scan below for detailed feedcharts.

Recommended pH: 5.5 - 6.8
