

## Connexus 2-Shelf Storage Cart

The mobile Connexus Storage Cart keeps accessories and attachments close at hand for easy set-up and transition between classes or groups. With a maximum capacity of 500 lbs., the 2-shelf storage cart features heavy-duty casters to enable movement around the facility. The highly accessible and sturdy storage also keeps your facility neat and organized at all times.

- Keep options, accessories and attachments close at hand for easy set-up and transition between classes or groups
- Convenient storage pegs keep resistance bands, circle bands, jump ropes or battle ropes neat and organized
- Info dock holds a tablet or smart phone, which enables users and trainers to access and view their screens during training
- Storage shelf with rubber insert was designed to nest a wide range of accessories including kettlebells, slam balls, medicine balls, yoga mats and more
- Heavy-duty casters facilitate movement between training stations and around facility
- Maximum capacity of 500 lbs.
