

## Magnum 45-degree Leg Press

MG-PL70

Our Magnum 45-Degree Leg Press targets the quadriceps and glutes with efficient movements. An adjustable bottom stop provides long or short ranges of motion for users of all heights, and an adjustable back pad enhances comfort while optimizing the angle of the hips and accommodating a variety of body types. It includes an easy-to-use racking mechanism, platform handles for easier entry and exit and linear bearings for a smoother feel. Six integrated weight horns hold multiple plate sizes.

- Easy-to-use and see racking mechanism
- Adjustable bottom stops provide long or short ranges of motion for all user heights
- Adjustable angle back pad enhances comfort, optimizes hip angles and accommodates a greater range of users
- Assistance handle on platform for easier entry and exit
- Linear bearings for smooth feel and function
- 4 integrated weight-storage horns hold multiple weight-plate sizes
- Extra large foot platform allows for comfortable foot placement and the ability to emphasize different muscles while training
