

Magnum Half Rack

MG-A690

Designed for training efficiency, the Magnum Half Rack provides an optimized solution to meet the demands of today's strength coaches, athletes and trainers. An open front design gives users freedom of movement, while optimizing space within a facility. Customizable with multiple rack options to meet the training needs of any facility. A height indicator and a colored locking pin make bar-level changes quick and easy, and J-hooks made of high-density polyethylene (HDPE) protect the bar knurling from scratches. Includes adjustable safety bars, dual straight chin bars, bar storage, band storage and weight storage.

- Open-front design gives users freedom of movement
- As shown with adjustable safety bars, dual-grip chin bar, bar storage, band storage and weight storage
- J-hooks made of high-density polyethylene (HDPE) to protect bar knurling from scratches
- Visual height indicator and colored locking pin make bar-level changes quick and easy
