

Ultra Glute

G7-S78-AS2007

Offer a comfortable, powerful way to tone and build glutes with the intuitive Ultra Glute. Upright user positioning makes the trainer easy to access and comfortable to use. A rotating foot pad provides stable and smooth contact throughout the full range of motion, an oversized foot platform bolsters stability, and an adjustable chest pad accommodates users of all sizes comfortably.

Also available in [Ultra Base option G7-S78B](#).

- Adjustable chest pad accommodates a variety of users
- Oversized foot platform bolsters stability
- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Upright user position increases comfort and machine approachability
- Rotating foot pad provides stable and smooth contact throughout the full range of motion
