

Ultra Independent Biceps Curl

G7-S40-AS2007

The powerful, comfortable design of the Ultra Independent Biceps Curl makes toning and building the muscles of the upper arm more efficient and effective. Unique pivoting elbow pads and rotating handles make every curl smarter and more comfortable. An innovative, open design eliminates chest compression and makes entry and exit easier than ever. It includes elbow pad covers to protect the upholstery at touchpoints.

Also available in [Ultra Base option G7-S40B](#).

- Independent motion for greater exercise variety
- Action Specific Grips provide greater comfort and minimal point pressure
- Unique pivoting elbow pads and rotating handles improve function, comfort and feel during use
- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Designed for easy entry and exit without chest compression from traditional machines
- Elbow pad wear covers improve upholstery performance in high contact areas
