

## Ultra Leg Press

G7-S70-AS2007

Our intuitive Ultra Leg Press is just as powerful as it is comfortable when it comes to strengthening the lower body. An angled, adjustable seat optimizes positioning for users of all kinds, while an ergonomically sculpted adjustment handle and gas shock make it quick and easy to change start positions. An oversized foot platform provides movement variety including calf exercises, and an integrated assistance handle offers easy exit and entry. It includes a guide rod and bearing carriage for smooth performance and long-term durability.

Also available in [Ultra Base option G7-S70B](#).

- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Angled and adjustable seat carriage enhances comfort
- Guide rod and bearing-designed carriage improves long-term durability and smooth performance
- Ergonomic adjustment handle and gas shock enable simple changes in start position
- Oversized foot platform increases movement variety including calf exercises
- Integrated assistance handle enables easy exit and entry
