

Ultra Triceps Press

G7-S42-AS2007

Offer a comfortable, intuitive way to tone and build triceps with the Ultra Triceps Press. The oversized rotating handles accommodate a wide variety of users and provide exercise variation. Additionally, an angled back pad reduces stress while enhancing stability and comfort.

Also available in [Ultra Base option G7-S42B](#).

- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Oversized rotating handles adapt to a wide variety of users and provide exercise variation
- Action Specific Grips provide greater comfort and minimal point pressure
- Angled back pad reduces stress, improves stabilization and enhances comfort
