

MIRKA

Mirka® DEOS 

Closer. For perfection.

New sander Mirka® DEOS 663CV Delta.
Flawless from corner to corner.

NEW! | **DELTA** |
SANDER

A new Mirka® DEOS for corners

A flawless surface from corner to corner. The new Mirka® DEOS 663CV Delta makes it possible, faster and easier than ever before. Sand without strain, even when reaching overhead, as the Mirka DEOS Delta weighs **less than 1 kg**. Reach comfortably into tight spaces with a sander that is **just 10 cm high**. Sanding is **50% more effective*** thanks to the powerful brushless motor and 3 mm orbit. Smarter, too, with integrated vibration sensor and Bluetooth connectivity that gives you vibration, speed and usage data available at your fingertips. This new addition to the Mirka DEOS family takes corner sanding to the next level.

*Compared to main competitor delta sanders.

CORNER TO CORNER.

► Sand longer with less strain

No more aching muscles. The Mirka DEOS Delta weighs less than 1 kg, which makes it more than 20% lighter than competitor delta sanders on the market.

► Get closer to the surface

Reach into the nooks and crannies. The low profile – only 10 cm – gets you 30% closer to the surface at any angle, giving you unsurpassed control.

► Remove more stock

Work faster. With a 3mm orbit, you get 50% more effective stock removal than regular delta sanders – while still keeping vibration levels low for comfort.

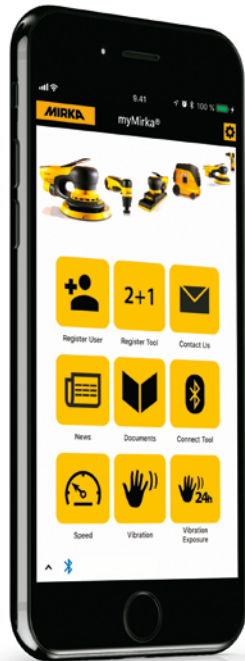

Stay connected

It's all available at your fingertips. Get vibration, speed and usage data. Complete the warranty registration in a few clicks. Look up product manuals, read the latest news, and more. New features coming soon. Mirka's digital solutions are just a click away.
