

Mixing cups with lids. Strong, stable, reusable.

LeMix Super Measuring Cups are available in 4 sizes. Strong, Stable and re-usable, they have been calibrated to suit most mixing ratios.

Ratios are printed in black and red for better mixing clarity and to help minimise errors.

LeMix Super Cup Lids (sold separately), when used with their respective cup, can store unused mixed paint, protecting it against dirt and dust.

These handy lids help minimise waste and help you keep your paint for longer. The lids are easy to apply to the Super Measuring Cups and allow you to stack your saved paint easily.
