- Side vented hems

Supplex® with Teflon HT®

100% Nylon

Our 3.8 oz/yd Nylon, constructed in a high count 2-ply weave has the optimum firm hand required for high-energy pursuits but without the heavy 3-ply construction usually found in that type of apparel. All tests indicate that high count 2-ply is as strong as 3-ply. In addition, our Supplex is treated with Du Pont Teflon HT, the most effective, longest-lasting water and stain repellent available, allowing us to offer you extremely versatile apparel that is durable, lightweight, easy care, water-resistant, windproof, and stain and fade resistant.
