- Zipped back pockets
- Elasticized back waist w/single snap closure
- Gussetted crotch in the seat area for superior flexibility
- Bartack on all stress points

#### Supplex® with Teflon HT®

100% Nylon

Our 3.8 oz/yd Nylon constructed in a high count 2-ply weave has the optimum firm hand required for high-energy pursuits but without the heavy 3-ply construction usually found in that type of apparel. All tests indicate that high count 2-ply is as strong as 3-ply. In addition, our Supplex is treated with Du Pont Teflon HT, the most effective, longest-lasting water and stain repellent available, allowing us to offer you extremely versatile apparel that is durable, lightweight, easy care, water-resistant, windproof, and stain and fade resistant.

#### X-Factor Fabric™

65% Aramid/30% Natural fiber/ 5% Segmented polyurethane

X-Factor is a stretch-woven fabric designed and woven specifically for extreme end use. The combined properties of this advanced fabric make it highly abrasion-resistant and tough to snag, yet it's so lightweight you can almost see through it. With its tri-blend construction and permanent water repellency, X-Factor consistently delivers garments that maintain their form, function and fit even after daily use. The bottom line: MOCEAN's X-Factor gives you more patrol hours per garment, per dollar.
