- Quick drying piqué fabric
- Split-tail hem, longer in back
- Oversized to accommodate body armor

#### FEATURES

- Epaulettes
- Integrated mic keepers

#### CUSTOMIZE

- Embroidered name on chest
- Silkscreen text on back

### Vapor Piqué™

100% Polyester microfiber

This state-of-the-art piqué was created for MOCEAN's professional uniform shirts by knitting two different high quality polyester microfiber yarns together to create a robust double-face fabric that keeps its just-pressed appearance all day.

With a purposeful balance between comfort, function and durability, this lush yet lightweight 100% polyester fabric is easy to care for and will maintain its color and structural integrity over time.

We also added Q-wick™, a wicking treatment to the back face yarns that quickly sponges perspiration away from your body and disperses it along the outside fibers to speed evaporation and cooling.
