

MADE WITH NATURAL INGREDIENTS

Working closely with our manufacturers, we aim to obtain product information such as specification sheets, food certifications, nutrition information, and ingredients for our consumable products. Based on the information provided to us by the manufacturer, products labeled with the “Made with Natural Ingredients” logo  are derived from natural sources and are not artificially or synthetically produced, **meaning they contain NO:**

ARTIFICIAL PRESERVATIVES

- No nitrates or nitrites
- No benzoates, sorbates, propionates, antioxidants, sulphites, or chelating agents

ADDED MSG

ARTIFICIAL SWEETENERS

or high-fructose corn syrup

ARTIFICIAL COLORS

ARTIFICIAL FLAVORS

ANTIBIOTICS

or added hormones

Instead, the products are made, preserved, sweetened, colored, and flavored with **naturally occurring ingredients:**

PRESERVATIVES

organic compounds that naturally preserve shelf life (plant acids, oils and/or extracts, spices, hops, salt, sugar, vinegar, alcohol, diatomaceous earth, castor oil...)

SWEETENERS

naturally found in plants and fruits (cane sugar, sucralose, stevia, erythritol, xylitol, coconut sugar, agave, honey, maple syrup...)

COLORS

derived from vegetables, minerals, or animals (annatto extract, beet powder, caramel, beta-carotene, grape skin...)

FLAVORINGS

extracted from naturally occurring plant or animal compounds (spices, fruits, vegetables, edible yeast, herbs, barks, buds, roots, leaves, meats, fish, poultry, eggs, dairy products, fermentation...)
