## Marriage Certificate Sermon of Wedlock

Thanks to God, we thank Him, ask Him for forgiveness, and seek refuge in God from the evils of ourselves and from the bad things of our works, whoever God guides, so there is no shadow for him and those who mislead him, so there is no guidance for this, so we will witness that Allah alone has no partner and we witness that our master and owner Mohammed is His Servant and Messenger, and after this: Oh people fear your God who created you from one soul and created your spouse and spread from them Men and women, fear God, from whom you beg and take due care of your relationships and Allah is watching you all the times. O those who believe, fear God in the manner He should be feared and do not die unless you are Muslims, oh those who believe, fear God and say a good word that He will purify your actions and forgive you your sins, and whoever obeys God and His Messenger is the one who has gained success.

And it was said by the Prophet (Peace be upon him) that wedlock was his way of life, and whoever does not follow it, had no relation with him. And this is what was ordained by the Prophet (Peace be upon him)
