**Standard Features:**

Based on Adjuster O2 design, especially developed for larger clients  
 The compartments are filled with a bigger size of SmartCells  
 Combines excellent stability and positioning possibilities with a very high level of comfort  
 Accommodates pelvic obliquities and can be individually adjusted to support more extreme asymmetry  
 Machine washable without the need to remove SmartCells  
 Perforated cushion top with mesh underside offers breathability, temperature and moisture regulation
