

## LA MAISON LANVIN

LANVIN was founded in 1889 as the result of the visionary genius of one woman: Jeanne Lanvin. The longest lasting Parisian couture and beauty house has captured the senses of discerning women and men around the world.

### **LE BLEU LANVIN**

A great admirer of art and an inveterate collector, Jeanne Lanvin had a true passion for colour. Thus, she opened her own dye factory dedicated to colour experimentation in 1923. Since then, the colour blue has become one of the brand's symbols and is still very prevalent in Lanvin's collections, accessories, and universe.

### **ORANGE AMBRE**

The new amenities collection fragrance "Orange Ambre", enriched with green tea, lotus blossom, sheer vanilla & orange peel.
