

RELAX FAR INFRARED SAUNAS

The Relax Far Infrared Sky Eye Medical Lamp

Is classified by the FDA as a medical device with a 510K (#K053376) FIR-8810

Suitable for Extended Usage

Easy and Convinient to Use

Infrared heating lamps can help those who suffer from muscle ache, shoulder pain, joint stiffness, arthritis, sprains, strains and more. Infrared heat therapy can rid the body of metabolic waste, assist in the resolution of inflammation, increase the extensibility of collagen tissue as well as effect soft tissue injury.
