

# GET TO KNOW me.

## Hello and welcome!

I'm Vicky owner and class leader of Story Imagin-ory Melton and Rutland.

I've worked with children since forever, it wasn't my original plan at the age of 17 but I really can't imagine doing anything else, it is truly part of who I am now.

Over these years I qualified to Level 4, I do often wish I'd extend to a degree level but I would not have had some of the amazing experiences I have had during my career.

## WHY STORY IMAGIN-ORY?

This is the easiest question of all.

**To create happy memories and smiley faces, through the power of books and play.**

I knew there was a reason I got a "B" in my GCSE performing arts, It was to become a Story Teller. Story Imagin-ory was created from the heart by Freya and that is really important to me. By nature I think myself to be kind, happy and creative, using these I get to create a space where children can be themselves. When you hold space for this to happen, It is truly where they will learn, flourish and be happy.

I love getting to know your children, their little expressions and character. Seeing their imagination come to life.
