In a little kampong in Sumatra, there was a girl named Dewi who lived with her father, stepmother and stepsister.

Dewi did all the chores, while her stepsister, Wani, was very lazy.

Every morning, Dewi washed the clothes and watered the vegetables. She fed the chickens and talked to them to keep them happy.

She also cooked for the whole family.

Meanwhile, Wani played outside all day long. But she was always on time for meals.

Dewi lived in a village in Indonesia,
and had a mean stepmother and
a lazy stepsister. But everything
changed on the day the earth shook.

The houses toppled over and the
trees crashed to the ground. At home,
Dewi found her family trapped under
the rubble. How will she save them?
