This is Kai.

He does not like the smell of turkey.

Nor does he believe  
Santa is real.

But he loves to watch ants carry food  
ten times bigger than themselves back  
to their nest.

even if no one else  
could see it.

Marie Toh is a visual storyteller from Singapore.

This story was based on her graduation film  
with the same title that has won many local and  
international short film awards.

*Meet Kai, a boy next door like any other—except that he is always in a whale suit. He doesn't seem to fit in anywhere and strangely, nobody seems to notice him either. Surely, this would make Kai sad and lonely, wouldn't it?*
