PREVIOUSLY, IN DATE KING. SINGAPORE DATING...
Ah King's date was stolen from him by his rival, the devious fiend known as...
BUAYA KING.

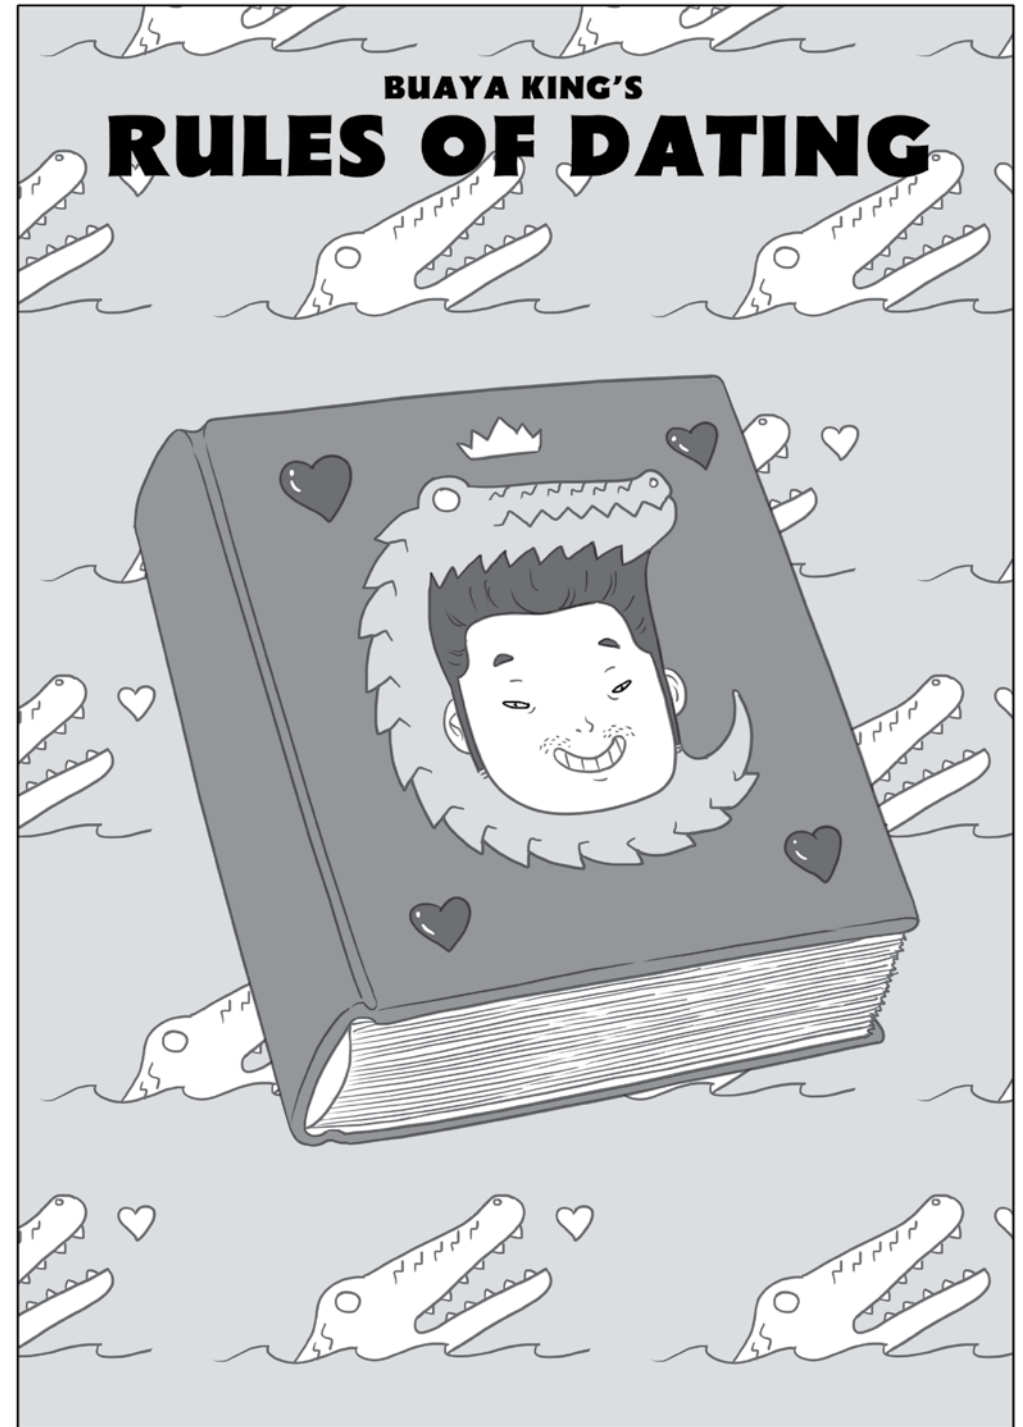

Real name: Michael Lee
Nickname in office: Michaely
Nickname given by Army BMT mates: Buaya King
Car: Nissan Skyline GT-R

Buaya King is the Bizarro version of Date King. He is the man who is even more focused on, more hardcore at getting girls. His lust for female companionship knows no bounds. It is rivalled only by his love for his mirror. Buaya King is the predator waiting at the watering hole for his prey. He doesn't really care what he attacks, be it a supermodel, the shampoo auntie at the hairdresser's or a university student. There is no stopping his vulgar intentions.

But where does his unrelenting drive and lust for women come from? Well, that's a secret at this time. But we can tell you that it's because he's one cherry short of a pair of cherries.

1. DRESS RIGHT

The clothes you wear determine how women will judge you. Wear a diamond stud, a wallet with a chain and a Mötley Crüe T-shirt and people assume you like heavy metal. Wear G2000 clothes and people will think you are an office drone and probably very boring to talk to. Wear G-Star or Armani Exchange and be labelled as cool.

The only brand I, Buaya King, wear is Lacoste and it comes in a complete set. Sometimes I wear Crocodile also, but only as sleepwear and only when I'm alone. All of Buaya King's shoes are cowboy boots made from real crocodile skin, and so are my wallets. That's why I'm so different and cool.

2. TREAT WOMEN WELL

Treating a woman well is important during a date. You don't want to scare her off before you drag her into your den to devour her. So buy her flowers so she thinks you're a sweet guy, pay for everything so she thinks you're a gentleman and tell her how beautiful she is even if she looks like a hog. Pamper her, make her feel like a real Disney princess.

Make sure she feels comfortable with you, and the most important thing to remember is this—the only reason you want her to feel comfortable is so she can make you feel comfortable later...

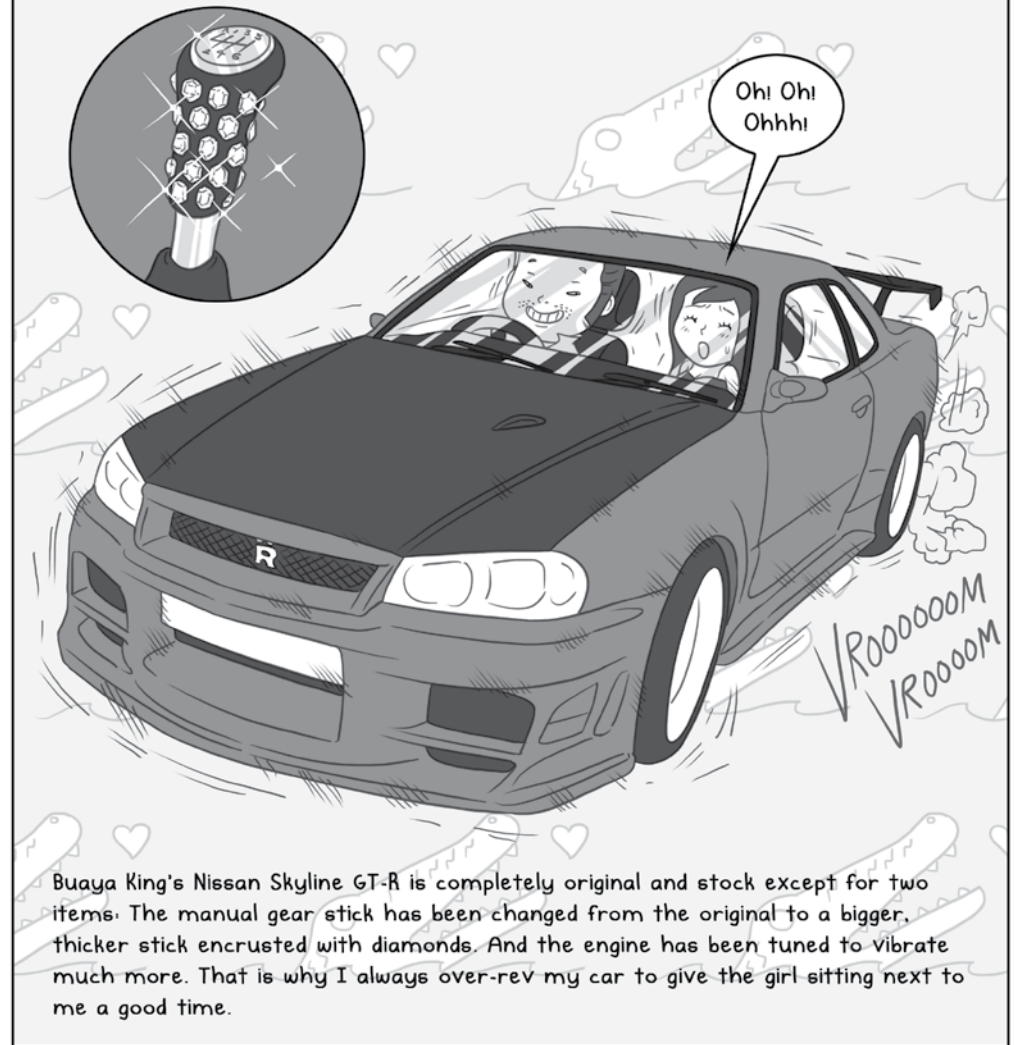

3. TREAT WOMEN LIKE CRAP

Bashing her ego is another great way to make her do your bidding. By constantly destroying her ego, you will make her feel inferior to you and thus her obsession for your approval will grow. For example, take her to the zoo and tell her outright that she is as fat as a hippo. Then, stop to see the orang-utans and point out that her legs are as hairy as all the Ah Mengs.

4. DRIVE THE RIGHT CAR

Your car is like a chariot, with you, the god of driving, inside it whipping the horses into a frenzy to go faster. However, in the Singaporean context, the sheer number of traffic lights means that your horse, no matter how good, will never run very fast. Thus, cars have become the extension of the male private organ. Have you ever marvelled at the old man in the red Ferrari with the hot young chick beside him, when you stop at the traffic light at Orchard Road? If you're not rich, you can at least get a second-hand Japanese sports car to impress the ladies.

5. GPS IN THE CAR FOR DATES

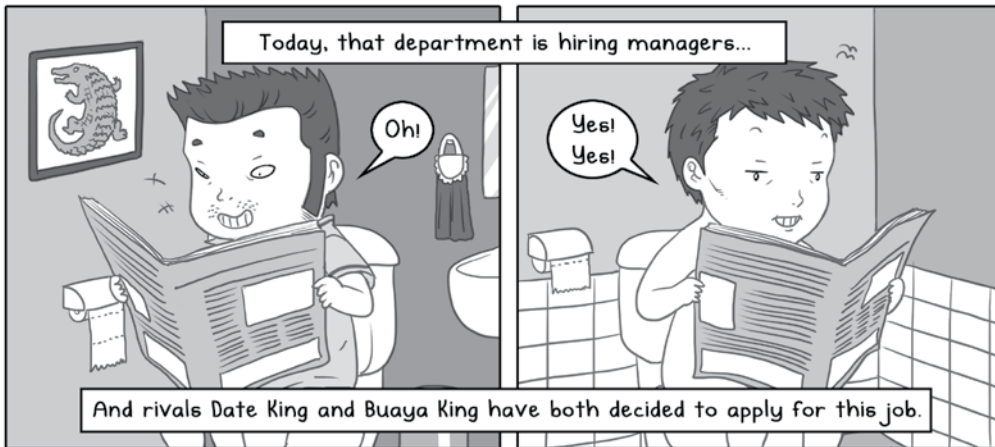

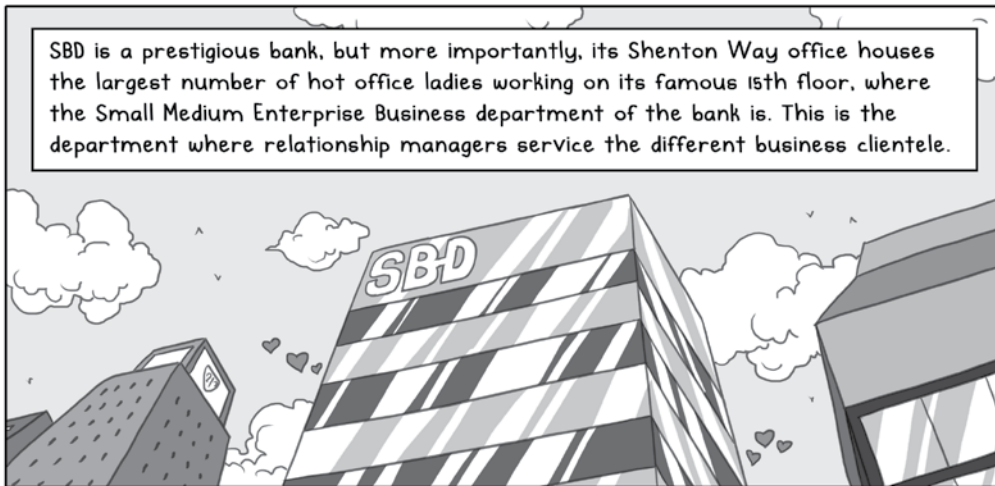

Make sure the GPS in your car is preprogrammed with many potential dating places in Singapore. Like where all the good restaurants in Singapore are. Then make sure your GPS has the shortest route after the date to the closest Smell Good Hotel or Eighty-Two Minus One Hotel.

6. GO CLUBBING

Look for a dark and noisy club where you can bring your date. It doesn't matter if she doesn't like clubbing. In the latest *Scientific Dating Journal* Vol. 35, pages 24-77, an article explains an experiment where scientists placed two snails in a small box. They made sure all the lights were switched off and blasted the latest dance music. After two hours, they found out that the two snails had taken off their shells and were making out.

Oi, crocodile face! You'd better stop trying to date the same girls as me!

FU AH KING!
You think too highly of yourself! All the girls you've dated told me that you are not only a poor drinker and a poor dancer, but worst of all, a poor kisser!

The kissing is because I injured my tongue when trying to twist a cherry stem! I...I've already undergone an operation in Korea for tongue extension! Now I'm the best teeth cleaner in the bank! The rest is all your lies!

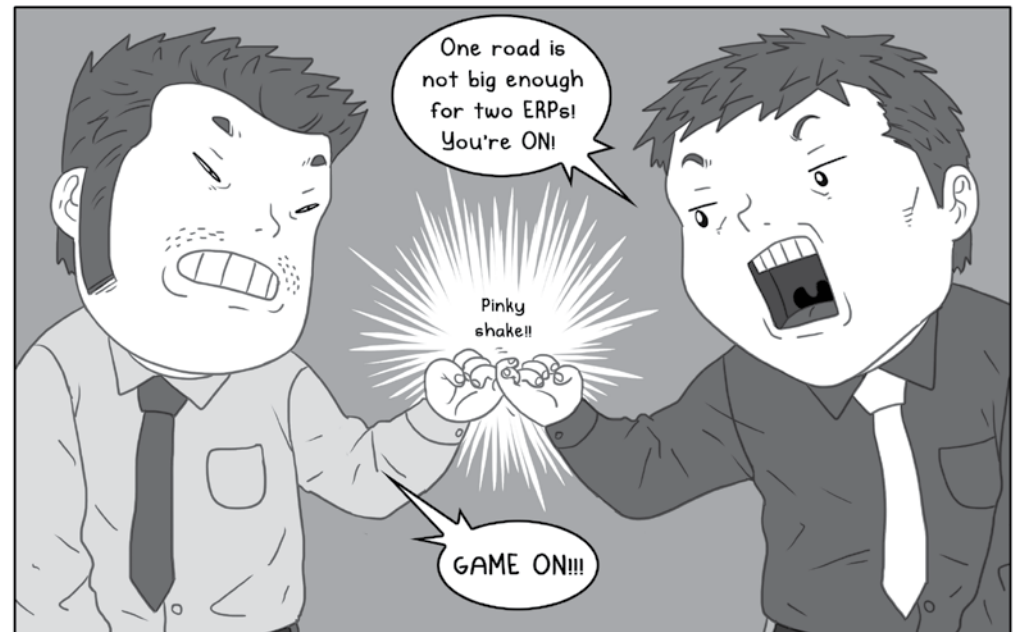

Oh, really? You think you're so good at dating? I dare you to join the Office Dating Premier League! The loser with the least points at the end cannot date in this entire building ever again!

A high stakes bet... But it's the only way to get rid of this asshole!

All the hottest girls in the CBD are in this building...maybe it's a little rash...

One road is not big enough for two ERPs! You're ON!

Pinky shake!!

GAME ON!!!

OI-!!!

spray

Oh! Sorry...

You... FU AH KING...
