Chinese New Year is finally here
and there's so much to prepare.
Singapore is buzzing,
there's excitement everywhere!

We decorate our home
with the colours of spring.
I make flowers and lanterns
and hang them with string.

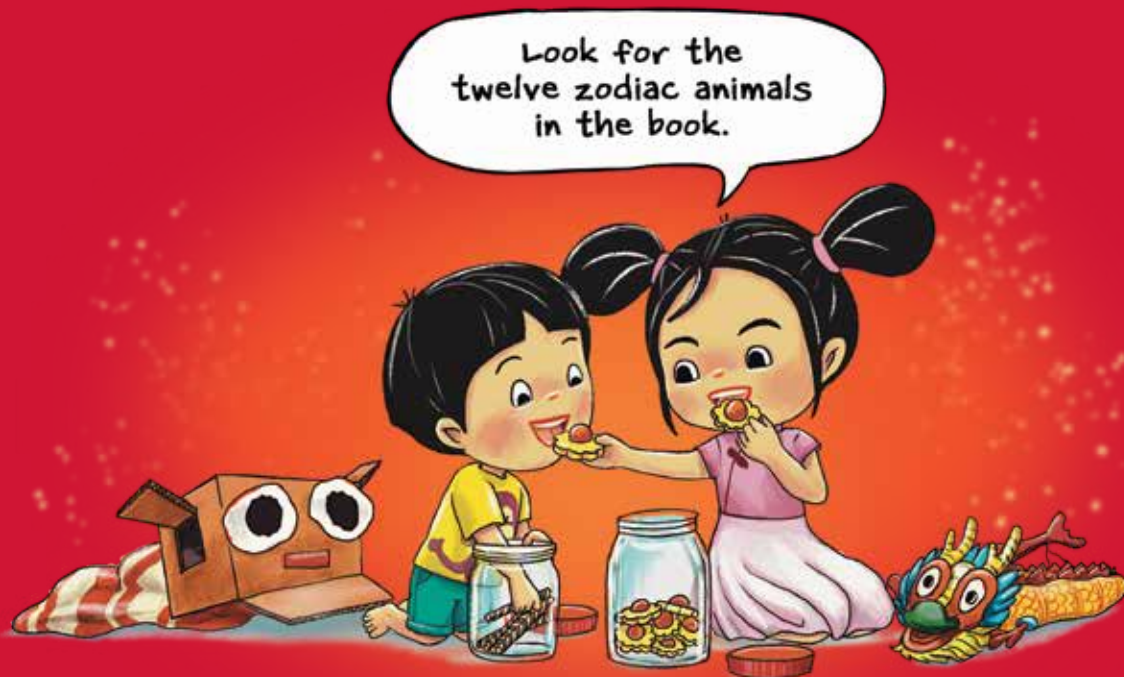

Snacks are piling up,
ready to be eaten and shared.
Mmm, a sweet and buttery smell
begins to fill the air.

Mama is baking pineapple tarts.
Helping her is so much fun.
I roll the paste into little balls
and weigh them one by one.

**Follow one little girl as she and her
family enjoy all the festivities around
Chinese New Year in Singapore.**
