# DAD'S TOO BUSY

Meow!

Emma couldn't believe her eyes. A cat!

"Mum! Look!"

"Not now, darling.  
I've to go to work.  
Tell me later?"

"Dad! Dad!  
There's a cat..."

"Wait a minute...just  
a few more pages."

The cat was now wobbling dangerously on the window ledge.  
Emma quickly reached out and pulled him into her arms.

The tabby twitched his  
nose and spied the cup  
of milk on Emma's table.

12:34 PM

Meet Emma. She's six.  
She's smart. And she has  
a tabby cat...that she took  
in without her Mum's and  
Dad's permission. To be  
fair, she did try to tell  
them; they were just  
too busy to listen.

But soon the secret  
becomes difficult to keep...
