DROLL BOOKS

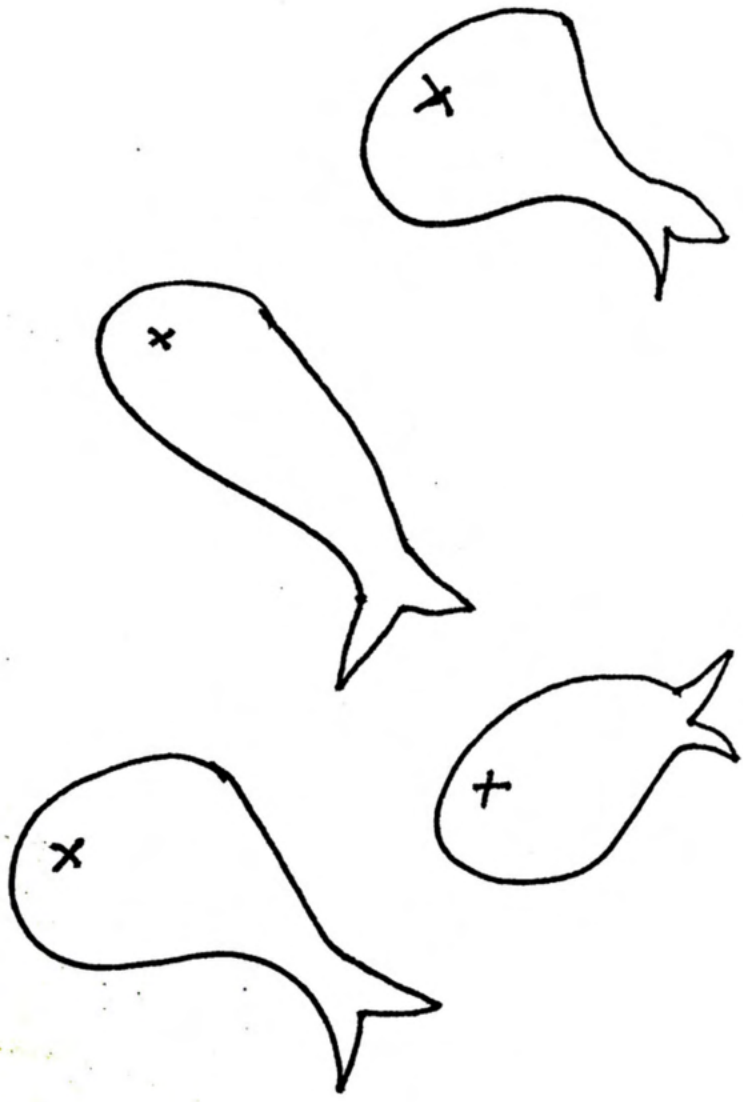

Okay, I know what you're thinking.

Penguins do not eat pancakes.

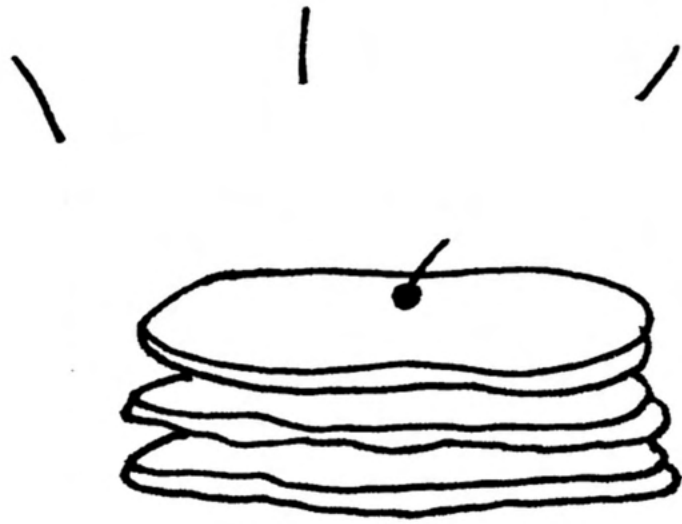

Penguins eat fish. Right?

I see you're nodding.

Granted, penguins have quite a
bite. But what they like is not
all black and white.

Fish for breakfast, lunch and
dinner AGAIN? Bo-bo-bo-boring!

If I were a penguin, I'd fry up
some pancakes instead.

Oh yes, I would!
