On a hot day in Pasir Ris,  
with no customers in sight,  
a bored prata seller  
punched his dough left and right.

He didn't make a circle,  
and he didn't make a square.  
Instead, he shaped his prata...

Into a girl, with long brown hair!

He carved a little hole  
in the shape of a heart  
and threw on the stove  
his fancy-dough art.

Away he wandered  
to check on the curry...

When the prata came alive  
and set off in a hurry!

“I’m a magical pastry, I love messes!” she cried.  
“I’m the queen of mischief,” she giggled with pride.  
She pounced on the table and squawked, “KA-KAWWWW!”  
The customers were rattled. One even coughed out his straw!

# Jee BOOOoOM BAAAA!

It's the little prata girl.  
She's a magical pastry who  
loves messes and mischief.  
And she's on the loose in Pasir Ris.
