EPIGRAM

It's December again in Singapore,  
the most wonderful time of the year.  
It's Christmas on our island,  
filled with lots of holiday cheer!

On Christmas Eve, we decorate our home  
and listen to festive songs.  
Daddy dances round in circles  
and my little sister jumps along.

With Mummy, I bake gingerbread cookies.  
It's my favourite Christmas thing to do.

I cut shapes out of sticky dough  
and carefully decorate them too.

*It's December again in Singapore,  
the most wonderful time of the year.  
It's Christmas on our island,  
filled with lots of holiday cheer!*

Spend Christmas with a little boy and his family and enjoy their fun-filled traditions.
