The Marvellous Sugee Cake

QUEK HONG SHIN

Today is Simon's seventh birthday. A familiar aroma wakes him up and he jumps out of bed.

"Happy birthday, my dear!" cries Mum. She's holding a sugée cake. It's Simon's favourite.

Mum and Oma always bake a sugée cake on special occasions. The recipe has been passed down from Simon's great-grandmother.

But as delicious as the cake looks, Simon has no time to eat. He is running late for his swimming lesson. He quickly washes up while Mum packs slices of cake for his snack.

“See you in the afternoon,” says Mum.

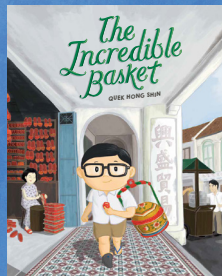

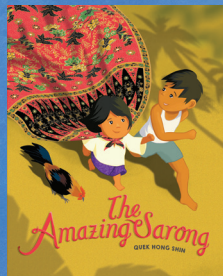

Simon grabs his backpack, bids goodbye and dashes out the door.

Simon's family always makes a sugée cake on special occasions. And today is one of those days— it's Simon's seventh birthday! He can't wait to have a slice. But when he sits down to have his treat, things don't go as planned.

Simon first appeared in the much-loved book *The Brilliant Oil Lamp*. Follow him and his friends on a new adventure.
