Tall Turf

PRODUCT INFORMATION

Harrell's Tall Turf is a non-clogging blend of nitrogen fertilizers and a nitrogen stabilizer. Harrell's Tall Turf will help promote vigorous re-growth during high traffic periods.

DIRECTIONS FOR USE

Harrell's Tall Turf can be applied throughout the growing season to cool and warm season grasses.

Apply this product in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to turf areas and sweep any product that lands on hard surfaces back onto the treated area.

RECOMMENDED RATES

Turf: General

Apply 2 - 40 oz. per 1,000 sq. ft. as necessary during the growing season.

For MD, NH, NJ, VA: Application rates of soluble nitrogen are not to exceed 0.7 lb soluble N/1,000 sq ft/application (In VA - no more than 1.0 lb)

STORAGE AND CONTAINER DISPOSAL

Store above 42°F. Store this product in a cool, dry place, in original container only. Keep lid tightly closed. Keep away from open flame or intense heat. Triple rinse container and offer for recycling or dispose of in accordance with federal, state and local authorities.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any nonconformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.
