

WARRANTY STATEMENT

1-YEAR LIMITED WARRANTY

Every care has been taken in the preparation of the component parts and assembly of this product to ensure that it reaches you in the best condition. This product conforms to the relevant Verdict manufacturer or British Standard specification and is individually checked to confirm this before being dispatched to the customer.

If the applicable product fails:

- **within one year of the date of purchase**
- **has only been subject to normal and expected use**

then Verdict will repair or replace the item free of charge, subject to a valid warranty being in place and following a successful warranty claim by the original purchaser.

Where the evidence of misuse, poor handling, storage, wear and tear, ingress of fluids exists we reserve the right to refuse a warranty claim. Any attempt to modify from the original specification or to repair/ investigate any fault by disassembling any part of the gauge will void any warranty claim. Damage resulting from an impact or extension of a feature beyond its designed motion will not be repaired under warranty.

It is the responsibility of the purchaser to return the item at their cost and if deemed to be a warranty failure the item will be repaired or replaced and returned free of charge.

This warranty is not transferable. Correct care and operating details are in the user manual.
