LEATHER SKINS

### **PRINT OSTRICH LEATHER**

Superb printed ostrich leather is specially chrome tanned to give a soft feel, depth of colour and a glossy finish. The individual variation in the spacing of ostrich feathers makes each bag unique.

### **SOFT GRAIN LEATHER**

This leather has a soft and grainy texture. It has undergone a special process that gives it a gentle dimpled effect while maintaining its lightweight nature. Comfortable, trendy, and soft to touch, this leather would suit all tastes.

### **SOFT BUFFALO LEATHER**

Buffalo leather is naturally strong and durable whilst remaining soft and flexible at the same time. The refined texture on this leather gives it a natural polished effect. The leather will age creating a vintage look after a period of time, making it timeless. It has a refined grainy texture, and ages naturally to become more characteristic with use, tumbled to enhance individual characteristics.

### **DRUMMED PATENT LEATHER**

Extremely stylish and sophisticated leather used this season is the drummed patent leather. The leather is drummed which enables all of its natural markings to emerge through. The end result is a stunning patent leather that demands admiration.

### **NATURAL ITALIAN CALF LEATHER**

A Neri Karra favourite, this leather is tanned using a natural vegetable tanning technique. The soft leather retains the individual grain pattern of the skin, making each bag unique. The leather ages naturally and becomes more characteristic with use.

### **PATENT CROCODILE LEATHER**

This is delicate leather chrome-tanned in Italy. The crocodile print is given a top was for a soft and glossy finish. It ages beautifully and acquires a vintage look, making it distinctive and timeless.

### **CROCODILE PRINT**

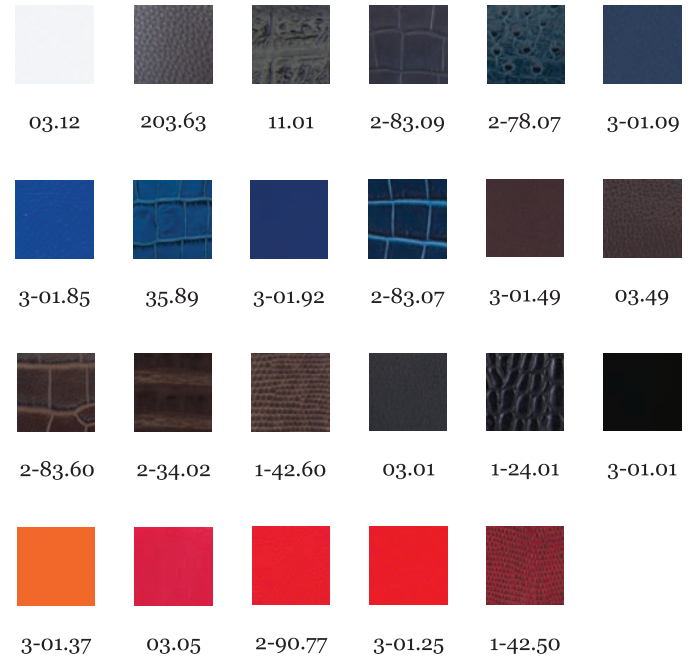

Produced from chrome tanned Italian calfskin.

The surface is printed and then coated with layers of patent lacquer for a glossy finish. The features are glossy, smooth, high patent finish.

### **REVERSE CROC PRINT LEATHER**

This is delicate Italian calf leather, tanned with a chrome mix and then printed with a crocodile print pattern. Features: ages beautifully and acquires a vintage look. Shows individual markings and grain.
