NEW 2023

lime tree design

Welcome to our new catalogue, bringing you our latest designs in textiles, clothing and jewellery.

This year has been all about exciting changes for Lime Tree Design. We are now settled into our new tailor-made home, still in our beautiful Nottinghamshire village, with new studio space, workshop and a showroom, which gives us space to grow.

What began 15 years ago as a one-woman kitchen table business has steadily grown thanks to the team of dedicated makers who work with us today creating our pieces which are available on our website and in brilliant independent shops both in the UK and abroad. We are always looking to add new designs and products to our collection and this drive is what keeps us excited and passionate about what we do and allows us to continually move forward.

We are proud to say that every piece in our Made with Liberty Fabric collection is made in Britain. Our lavender sachets are machined, stuffed and hand sewn in our village and our Tana Lawn™ kimonos, tunics, hankies and bandanas are made in a small manufacturing unit in Wales.

Our own cotton clothing collection, inspired by traditional Indian block print, is also growing, with beautiful new fabrics and styles available in the coming months. The collection is carefully designed so the fabrics co-ordinate and the pieces all work well together.

Our website is your best port of call to see the full collection, or drop us a line or phone us if you want to know more.
