## CUSTOM AWARDS

Every course, every hole, and every round played is unique. That's what makes golf so very special and why we love it. Awards recognizing the winners should be no different. Each should be carefully selected to reflect the culture of your club and the theme of the tournament. Our design team can create that special award in an easy and affordable manner.

# THE CUSTOM PROCESS

The process to create a custom award is easy when you work with our design team. They work with you to make your visions reality. Based on the information provided, our designers will create renderings of some ideas that meet your criteria. Our decades of experience allows us to quickly pinpoint what will work within your desires, budget and time frame.

We work with various woods, metals, crystal, art glass, resins, bamboos and even concrete. We truly can create the award that suits your style and culture, whether you order one or hundreds. The rendering of your selected design becomes an engineering schematic from which our skilled craftsmen work. Once the actual piece is made, our imprinting teams begin to personalize it with your chosen message. Our vast array of imprinting methods – sand etch, laser etch, 3D laser, engraving, digital color and more – allow us to beautifully memorialize your custom design.

Make your awards as unique as your hole-in-one with Heritage Creations USA.

# CUSTOM WALL RECOGNITION

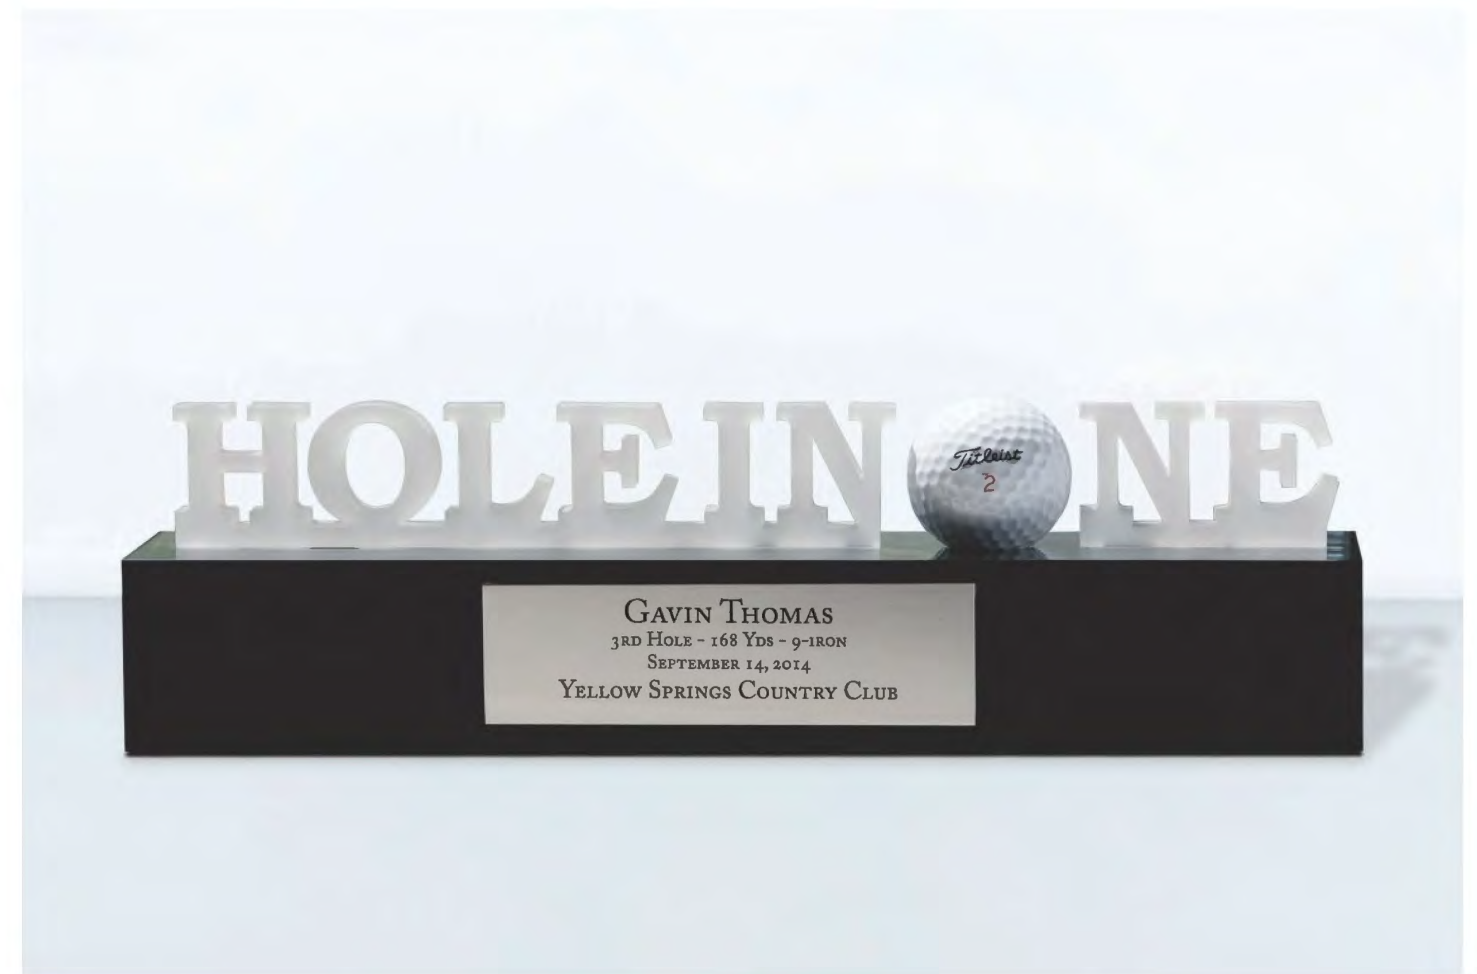

Nothing quite compares to a well-designed "wall of fame." These are not just nods to winners or past presidents, they truly tell the story of your club. Each panel can be designed to accommodate a different page in your history. Winners of various tournaments, professional staff, photos of your clubhouse(s), celebrities who have played your course, community acknowledgments or any other events you want to document with pictures or text can be recognized with custom wall recognition. Flags, bricks or other mementos add interest when we incorporate them onto your clubs walls.

Let us tell your story, whether we are updating existing walls to make them more modern or beginning with one plaque.

# CUSTOM HOLE-IN-ONE

Making a Hole-in-One is the goal of all goals, yet one that seems nearly impossible. When someone does make that one shot wonder, it is time to recognize the accomplishment in a meaningful manner. Creating a special award for the lucky golfer and then adding their name to a clubhouse plaque is the ultimate recognition. If you want to preserve the ball used from a match or tournament, send it in and we will create your one-of-a-kind frame or shadowbox. Let our creative team help you recognize your outstanding golfers in the style you desire.

“

Seeing ourselves win and wanting passionately to win are, I believe, the first steps to victory.

”

- SEVE BALLESTEROS

# CUSTOM DESKTOP AWARDS

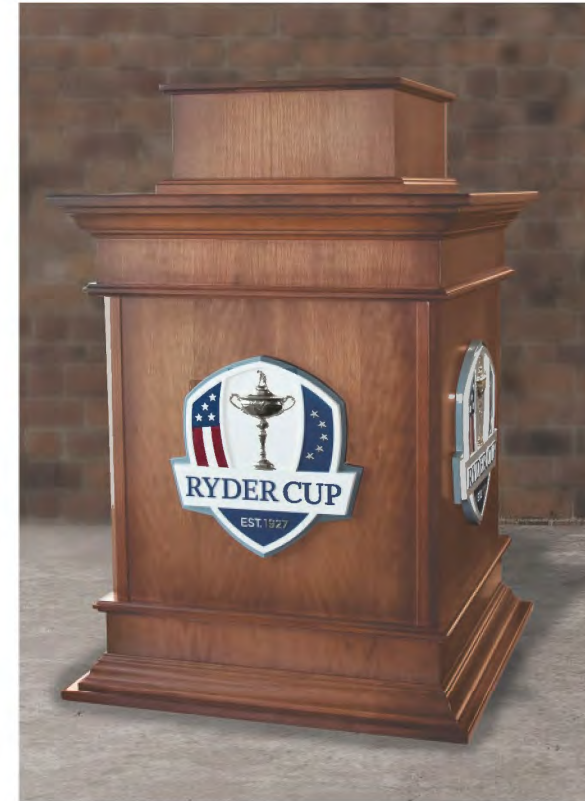

Golfing awards have come a long way from the standard trophy. Now, it is easy to design the perfect award that winners will want to display in their homes or offices. We can create an award in a myriad of materials that is on par with your club branding while staying within your budget.

# CUSTOM BASES

Your treasured award deserves a befitting base. Whether it is a traveling award, a lobby piece or a custom design, having the right base makes all the difference. Let us make a base to fit your award in the size you desire. Special electronics can be added to allow your base to "talk" and/or light up. Call us today for more information.

3D1-G

Standard Size of 7.25"W x 7.25"H Round or Square  
Sizes Vary Based Off of Club Logo

The model is created by utilizing a combination of carving, sculpting, and precision machining. A mold is then produced from this model and used to cast multiple copies which are hand-painted to match your color specifications.

## BRONZE-FILL LOGO

Standard Size of 7.25"W x 7.25"H | Round or Square  
Sizes Vary Based Off of Club Logo
