**The world of juice will never be the same again.**

This is the start of a new future in which maximum innovation and authentic style are contained in the minimum space.

Small. Smart. Stylish

## SOUL SERIES 2

### Choosing the SOUL Series 2 =

**Optimizing juicing**  
It is simply amazing that so little space can offer such good capacity and speed.

Thanks to its new accessory kits, Soul juices limes, lemons and oranges ranging from 30-81 mm.

**New** Automatic sweeper filter  
We innovate to make your life easier.

**New** Conical System® 1 juice/10"  
Innovation in constant evolution. Re-engineered to juice at twice the speed.

**Easy to clean**  
All the parts can be washed in the dishwasher.

Central flow with direct light so customers can see the juice fall directly into their cups.

### The first Smart Juicer

The first automatic juicer that provides information about the performance and productivity of your fleet of machines in real time.

### Connect with your Soul

- Control your business remotely
- Improved machine productivity
- Preventive maintenance
- Error alert and solution management
- Configuration of Cashless mode
