# PRESTIGE PRESTIGE Compact

### IMPROVED

Repositioning of service display to improve water and steam service area.

### ACCESSIBILITY

A distinctive design in a market who pays attention at the price. Moreover, the structural design ensures easy access to the inside of the machine.

### ADJUSTABLE

Both versions are equipped with adjustable thermal system. Only PRESTIGE+ has external knobs on the cupwarmer to be more functional and easy to access.

PRESTIGE  
PORTAFILTER

Every portafilter comes with a screw that enables users producing drinks.

All models feature an innovative micrometric spout, which guarantees the two cups.

A white matte finishing, a front panel with central service display and backlit buttons. Equipped with ambient light, and option to add a second one in order to make it really stand out. Tall Cup version available.

A perfect system
