CORDLESS STICK HF2 WITH

ULTRA COMPACT x3

Capable of picking up 99%
of dust on hard floors*

Ultralight: <1.3 kg
in handheld

Less emptying:
bin capacity tripled to
1L equivalent volume*

Product video

*Terms and conditions apply.
See page 3

3 year warranty*

HF2 TERMS AND CONDITIONS

- Capable of picking up 99% of dust on hard floors¹

¹Tested internally on Flat hard floors according to IEC 62885-2 in turbo setting

- **POWERTIME - Up to 500 Airwatts x Runtime²**

²Up to 25 AirWatt Power X 20 minutes or more Runtime. Suction power AW measured according to IEC62885-4:2020 at tube end; runtime measured with nozzle attached according to IEC62885-4:2020; based on internal tests.

- **Less emptying: bin capacity tripled to 1L equivalent volume³**

³Tested internally using DMT8 dust with 2 compaction strokes when bin full, gross volume.

- **Compacting the dust to extend suction power⁴ and maximize bin capacity**

⁴Tested internally according to IEC 62885-2:2021 cl.5.12 before and after compaction.

- **3 year warranty⁵**
