THE FIRST BOOTS
WITH THE EXCLUSIVE
AIR BOOST VENTILATION SYSTEM

AIR BOOST VENTILATION SYSTEM

TATTINI BOOTS AND JODHPUR BOOTS

Made of high quality natural calfskin, they're the first riding boots on the market with an exclusive **Air Boost ventilation system**.

With a **rear zip**, they have a **rubber sole** that makes them exceptionally comfortable, **light and flexible** for an all-day wear.

The heel has an extremely efficient **shock-absorbing system** that reduces the impact on the heel and overexertion of the foot.
