A fire in a fireplace or the glow of candles, a cup of your favourite tea, an inspiring book and... what is missing from this picture? Of course, a comfortable armchair! Lungo fits perfectly here. The softness is obtained thanks to the high-quality foam of the highly flexible, well-formed backrest, and the comfortable footstool guarantees your comfort even when you're going to sit for a little longer. It's a swivel armchair, so you can change positions from reading a book to admiring the view outside the window. There's no need to wait - choose the right fabric, one of the four colours of the feet and enjoy your own relaxing, most comfortable place to relax.
