

BÜFA Kaugummispray

Cooling spray for freezing chewing gum

- PROPERTIES:**
- suited for all textiles, textile floor coverings and smooth surfaces
 - effectively freezes chewing gum
 - easy removal of chewing gum residues from textiles and hard surfaces
 - also ideally suited for removing chewing gum residues from carpets

APPLICATION: The product is sprayed intensively on chewing gum spots. Then remove the hardened chewing gum by cracking and crushing immediately. In case that there are still some residues left, repeat this procedure.

HINTS: Storage
Container is under pressure. Protect from sunlight and temperatures higher than 50 °C (122 °F). Store cool and dry. The product can be stored for at least 24 months.
