

Size guide EN 

## What size are you?

Each sole is unique which brings us to slight variations in length for each of them. To help you choose your shoe size, please find below a table showing the measurements of all our soles for each shoe size. So you can compare by measuring the length of your foot in a standing position pressing on your feet.

### CLASSIC WOODEN SOLE (not flexible)

REFERENCE K1 - HEEL 8,5 CM

FR	35	36	37	38	39	40	41
