ABOUT US

Through more than 3 decades of an endeavor to provide innovative, durable and superior quality plastic products, we intend to only get better at this game.

It's business but it's also personal – we understand the aesthetic value that our products bring to you.

At the beginning of the year 2020, **PIL ITALICA LIFESTYLE LIMITED (PILL)** acquired the rights to manufacture, market, promote & sell Kisan Crest Moulded Furniture. This move solidified Italica's position as one of the leading players in India's plastic furniture industry with the capability to reach every corner of the country.

PILL is listed on Bombay Stock Exchange and the National Stock Exchange, we are an ISO-9001:2015 accredited company, and also the only company in India with CE certified plastic furniture products. But what makes us different is the mutual understanding we share with our customers – we understand their world, they reciprocate with trust.
