

# Newborn

## essentials+ >

Preparing for a new baby's arrival is a very exciting time – but how do you know what the most essential items to buy are?

We've put together a list of our top picks, many of which are found on our Belly Beyond website. Simply use our search bar to look for any items written in **bold**.

Alternatively, find this article on our blog for links to the relevant collections, as well as additional explanations for each listed item.
