Best Natural Self-Tanner

If you want to stay tan year-round but are worried about exposing your skin to chemicals, opt for a natural self-tanner like this one from [Brazi Bronze](#)! This self-tanning serum is made from natural DHA and is rich in antioxidants, hyaluronic acid, and Vitamin C, leaving your skin soft, moisturized, and glowing. You can use it mixed into your favorite moisturizer, or just on its own! This product gives you a healthy golden glow, and you're able to control how deep you want your tan by adding more or fewer drops. Brazi Bronze also donates 10% of their profits to Rainforest Trust, to give back to the community that inspired their products.
